

MAX ZORN

PREVIEW EVENING

Internationally renowned tape artist Max Zorn invites you to his 'Stick Together' Preview Evening and Exhibition.

Following his recent sell-out show at Art Basel Miami, Max is exhibiting his unique collection of works. Distinctive in its construction, Max uses ordinary brown packing tape as his medium and a scalpel as his brush to create this stunning series in situ.

As Sanderson's new Artist in Residence, this will be Max Zorn's first solo London show since 2013.
